

**Perry Kinkaide**, PhD, MSc, CMC

Perry is the founder and President of the Alberta Council of Technologies and Chairman of the Boards of KM Financing and Kinkaide Enterprises Inc. (KEI.) Perry retired as Managing Director of KPMG Consulting in Edmonton in 2001 and prior to that was an Assistant Deputy Minister with the Alberta Government.

KM Financing arranges financing and provides compliance for the development of in situ mineral and hydrocarbon assets worldwide. KEI allocates venture capital, serves as a management advisor and assigns operating officers for commercializing early-stage, technology-based enterprises in the Edmonton Region.

Perry represents ABCtech as Director of the AB/Canada Fusion Energy Program and Stem Cell Therapeutics Public Forums. He is a Director on the Boards of: General Credit Services, FragBOR, DBiTS, Troy Media, enrolNet, QB Technologies and formerly, Goodwill Industries, the Certified Management Accountants of Alberta, and the Institute of Certified Management Consultants of Alberta. He is the Alberta Government's public appointee to the Alberta Association of the Canadian Institute of Planners and past Chair of St. Albert's Community Health Council and the Continuous Learning Community Society.

Perry earned a B.A. degree from Colgate University in 1964, M.Sc. (1967) and Ph.D. (1972) from the University of Alberta in brain research. His special interests include: golf, gardening and grand-children.
